Public Works Announces Extended Hours for Yard Trim Disposal Facilities to Assist with Storm Debris Management

(Forest Hill, MD) – The Harford County Department of Public Works has announced extended hours of operation for the two yard trim disposal facilities. The hours operation are being extended to help accommodate Harford County residents that may have fallen tree branches and similar debris from this week's ice storm.

The Harford Waste Disposal Center Mulch and Compost Facility located at 3135 Scarboro Road in Street will be open Monday through Saturday 7:00 a.m. – 4:00 p.m. until further notice. On Saturday February 8, the Tollgate Road Yard Trim drop-off facility located at 608 Tollgate Road in Bel Air will be open from 7:00 a.m. – 5:00 p.m.

Questions regarding the Harford County yard trim disposal facilities may be directed to 410-638-3637.

"We are grateful to Director Tim Whittie of the Department of Public Works and his staff, for extending the hours of operation at their facilities to allow residents of our county the opportunity to properly dispose of tree debris resulting from this week's storm", said Harford County Emergency Manager Rick Ayers. "This is another example of government working together to meet the needs of the public following a severe weather event", Ayers added.
